

**CCC Speaker Mic with Earpiece Socket**

**Medium Duty Speaker Mic**

**Key Features**

- **Tough and Robust**
- **Loud Clear Audio**
- **Earpiece Socket**
- **Stainless Rotating Clothing Clip**
- **12 month warranty**

**Ideal Applications**

- **All Overt Applications**
- **Noisy and Quiet Applications**
- **Where the radio is belt worn**

Use your radio while keeping it securely on your belt or over a shoulder with in one of our leather cases. Helps protects the radio against dropping.

Make and receive messages without lifting the radio. The speaker-mic contains a Microphone, Transmit button and Speaker.

**3.5mm socket for optional Earpiece**

In high noise or very quiet applications an optional earpiece can be used to enhance performance. See our 'Listen only' earpieces for the options.
