- Two Wire System
- Service Spare Parts Available
- Rotating Collar Clips
- 12 month warranty

Ideal Applications

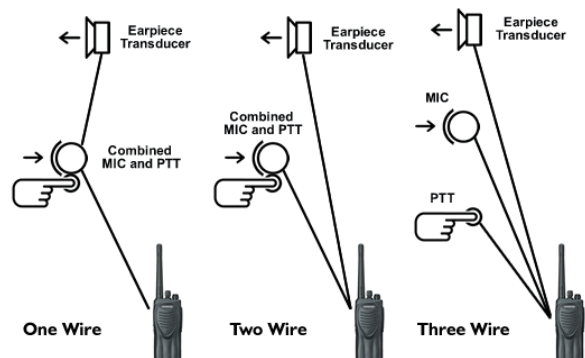

- Covert Operations
- Door Security (Noisy and Quiet)
- Store Security
- Front of Camera

Interchangeable earpieces to suit your application. Softer thinner cable with Kevlar reinforcement to help protect from snagging damage. Available with a plug to fit most current popular radios. It is ideal for medium duty use, for instance 5 days working days a week. Supplied with a full 12 month warranty when used as recommended.

Acoustic Tube, D Shape, Hook shape or MP3 Bud.

Interchangeable earpieces allow you to select the best earpiece for any situation, Covert, Overt or Comfort.

Buy just the parts you need, add further earpieces later if required.

Two Wire System

The combined MIC-PTT can be clipped to the lapel or threaded down a sleeve so you can talk into your hand thereby covering your mouth.
